

# Class of 2021 Mentorship Program

• Leadership Forums •

## • WHY ARE LEADERSHIP FORUMS IMPORTANT? •

The Mentorship Program works to improve career, college, and military service readiness skills for high school seniors transitioning into these settings by supporting their academic achievement, self-esteem, and social competence. Our Board of Directors and Education Partners serve to assist graduating seniors in developing their character, social responsibilities, and their transition into life after high school.

## There's More!

*Build 21st Century Resumes & College Portfolios + Develop Interview Skills & Learn about Exclusive Scholarship Opportunities*

ZOOM | 2ND SATURDAY  
EACH MONTH @ 11AM
